World Class HR Events

Since 2011 Orchid Associates has produced a series of HR specific and Corporate University events and JFI has been with them every step of the way maintaining quality standards. Four continents: Europe, Asia, Australia and Africa; 15 countries including 3 in the Middle East, Turkey and Russia. Thought-provoking events showcase exciting ideas about how to address key business challenges whilst at the same time presenting innovative thinking and practice.

A new addition to the Orchid Associates events portfolio is the Executive Learning Forum. Alongside the HR Directors Forum, World Corporate Universities Forum and HR Trends Symposium; Orchid Associates now covers a wide range of topics associated with HR and Executive Leadership.

Speakers address key challenges from a strategic, technological or a leadership perspective.

Don't get left behind. Orchid Associates has a range of sponsorship opportunities and is always looking for inspirational speakers for their events. Write to me at office@jfi.training if you have something exciting to speak about and I'll help you submit your proposal.

Józefa Fawcett – MA, Fellow CIPD, MBVA, AMIFTD
Chief Learning Officer, JFI

SPONSORS :

GOLD Sponsors:

For the last 26 years, ESEI has provided a customised education of outstanding undergraduate, postgraduate, executive and language programmes which are up to speed with global market trends. Pioneers in studies taught entirely in English and with the British degree awarded in Barcelona, Esei Business School has been driven by its passion for providing an all-round, internationally-focused education that combines academic excellence in Business Studies with humanistic values to develop the character of our students

Silver Sponsors

Coaching Indonesia is a leading coaching firm providing corporate solutions in executive coaching and leadership development for organization and team. Coaching Indonesia has been recognized as the first coaching school in the country that provides certification programs accredited by the ICF (International Coach Federation). Through worldwide connection, the firm keeps up to date with latest knowledge and development as well as working with other global coaching services to continually develop coaching presence in the country.

DUBAI • MUMBAI • SINGAPORE • SYDNEY

S P Jain School of Global Management is a Forbes Top 20 international business school (ranked #5 in Asia, #19 in the world, 2013-2014), providing global learning and multicultural experience through its campuses in Dubai, Mumbai, Singapore and Sydney. The School crafts business-ready global leaders through experiential education, including cases & board rooms, simulations, internships and real-world projects with top leaders in their business communities. In addition to undergraduate and graduate degree programs, S P Jain has carved a niche for itself as a young, modern, innovative business school offering world class executive education, taught by international faculty from top universities like Harvard, Oxford, Duke and Cambridge.

LKN is the knowledge network set up by Barbara Bertagni and Fernando Salvetti in 1996 to serve demanding clients e.g. top 500 "Financial Times" and "Fortune" companies, international and cultural institutions all around the world, delivering cutting-edge solutions essential to people development. People are in need of working and living at their best in the "global" world.

Panel Sponsor

Asia leader established in 2009. Former corporate executives with extensive international experience and local knowledge. AsiaLeader is already one of the most recognized brands in the education industry in Indonesia. Associated with the International Coaching Federation (ICF) and the John Maxwell Team (JMT). Main Focus on Leadership Development training and coaching programs

Bronze Sponsor

Nanyang Business School

Consistently ranked among the world's premier business schools, we have been nurturing leaders for business and public service, advancing global management knowledge and practice for over 50 years. Being fully integrated into Nanyang Technological University, we draw on the strengths of one of Asia's most comprehensive research-intensive universities to provide holistic, interdisciplinary business education. We believe that responsible leadership in business and government is crucial to securing a sustainable future for our world. Through teaching and research, we groom leaders who pursue lasting success that seeks not only economic profit but also the interests of the community and environment.

Vendor Sponsor

We facilitate an environment where people learn to look within themselves and explore their inner resources. We enable people to relate effectively with each other and assist in sharpening skills in the work place. We work closely with the organizations in developing the relevant programs which address specific gap areas in skills, behaviour or organizational outcome.

M | MICHIGAN ROSS Executive Education

University of Michigan, Ross School of Business Executive Education in Asia was established with the mission to support Executives across the region to develop their leadership capabilities in all levels and functions. The programs offer unique experiences for Executives to learn from practical tools and apply them to the challenges at work, and network with fellow participants who share similar challenges. The 20 open enrollment programs in Asia offer the unique opportunity for companies to address the individuals' development gaps while custom solutions tackle company-issues. With our experience in Asia Pacific and globally, our open enrollment programs are ranked 'Top 10 Globally' by the Financial Times in 2015.

Orchid Associates is a business events company operating from offices in Asia, Europe and America, with a portfolio of World HRD events.

**World Corporate Universities Forum
HR Directors Forum**

**HR Trends Symposium
Executive Learning Forum**

HR Development Summit

These events provide HR professionals with the opportunity to discuss a diverse range of relevant topics with their peers. Extensive research has gone into developing the programmes so as to ensure the key challenges and concerns facing the sector are addressed and that some of the industry's most forward looking thinkers will provide strategies and solutions for the future.

Managing Director, Gregory Hasanov Bachtiar, manages his client relationships with some of the largest corporates around the globe. He has a BA in Commerce and a Master's in Business and Managerial Economics from Bond University, Queensland, Australia and speaks five languages: English, Bahasa Indonesia, Dutch, German and Spanish.

JFI is an international training, learning and business excellence consultancy.

Providing training design & delivery; conference keynotes; quality improvement assessment tools and business vocal coaching through three exciting initiatives: **JFI Store ~ JFI Research ~ JFI Radio**

Chief Learning Officer, Józefa Fawcett, lectures in London (University of Westminster Business School) and in Russia (Moscow State University Economics, Statistics and Informatics) and has delivered training masterclasses in 34 countries on four continents. The Latvian State Chancellery, European Commission, European Patent Office, Novo Nordisk, SAP, GAC Academy, UK Home Office, British Telecom, Institute of Healthcare Management, NHS University and the Royal Air Force are just some of the organisations who have benefited from her expertise and passion; to improve business productivity, sustainability and quality standards through effective training and learning.
